TERM SHEET

Upon completion of the financial analysis, a draft Term Sheet (TS) is prepared by IO's Underwriting Group and sent to you for review and acceptance. The TS will include proposed terms, conditions, security, financial covenants, conditions precedent and reporting requirements. Receipt of the signed TS will allow the Underwriter to proceed with recommendation to the Credit Review Group.

CREDIT REVIEW

IO's Credit Group reviews the analysis prepared by the Underwriter and presents it to IO's Credit Review Committee which meets regularly to assess and approve applications.

LEGAL REVIEW

IO's Legal Counsel reviews applicable resolutions and any litigation that may impair your ability to meet the debt obligations.

FINANCING AGREEMENT

When the application is approved and supporting application documents have been received in good order, a Financing Agreement (FA) is drafted and sent to you. The FA provides the terms and conditions of the agreement, the financing schedule, associated resolutions, and banking information. You then must review the FA, provide the necessary signatures and return it to IO, at which point it is considered to be fully executed. Copies of the FA and all applicable documents are forwarded to you.

FUNDS ADVANCED

When the agreement has been fully executed and all conditions precedent have been met, you may request short or long-term financing according to the terms of the FA.

IO advances funds on the 1st and 15th of the month (or the next business day if the flow date is not a business day). In certain circumstances funds may be required immediately; IO will make all efforts to accommodate requests for advances between flow dates.

CONSTRUCTION REPORTING

If applicable, you may be required to submit project management and/or project monitor reports for capital construction projects as detailed in the FA.
